Hi John,

Yes, they did indeed. I have someone else looking at it now, so I don't have any thoughts on it yet. But I'd be happy to forward their response to you.

If you have any thoughts on it, I'd be interested to hear them. I'm curious if they sent us anything that was in addition to what they already gave the state. We can always send them a 104(e) for further information if need be.

I will forward now, keep in mind it will come in several emails because of the large attachments to their letter.

Thanks,
Kelly

Kelly-

Did Skinner Corp. ever respond to your 1/23/2014 correspondence? If so, could I get a copy?

Thanks,
John
